

701 N. Cushing Avenue - Kaplan, LA 70548 - 337-643-2400

Thanks for participating in the 2009 Louisiana Cajun Food Fest.

This year the festival will be Saturday, October 2, 2010. We have a great day planned with an exciting entertainment lineup, Cajun Seafood Cook Off, Pageant, Children's Activities in Turlney Park, and of course, you, the food vendors.

We have made some changes in the booth size, exclusive product for each vendor with a limit of 2 food items per booth and a limit on the number of total vendor food booths.

The booth size is 20 feet wide and 14 feet deep.

This size will give the booths ample width for trailers and tents. The depth of 14 feet will keep a good size walk area in the street for the festival attendants.

Each booth will have a LIMIT OF 2 ITEMS to sell.

No two vendors will be selling the same items.

This will give each booth the opportunity to sell different food products and hopefully make a profit. Early registration is the key to getting your product exclusive to your booth.

This year there will be a limit of 25 food vendor booths.

This will keep the vendors close to the activity areas with a good variety of food items.

Enclosed is a Vendor Agreement and Cajun Seafood Cook Off form. If you choose to do both, the fee will be \$125 for both the vendor and cook off. The Cook Off items must be cooked on site.

Please complete the enclosed forms and send back to the Chamber office along with the fees. If there are any duplications in food items, you will be notified immediately. The booth space and entries are on a First Received basis. Thank you for your participation in the 2010 Louisiana Cajun Food Fest.
